Popups for Divi

<https://wordpress.org/plugins/popups-for-divi/>

Copy and paste the below CSS snippet into the Custom CSS section within the Customizer or at Divi > Theme Options > Custom CSS

CSS Code to Center & Color Top Menu:

```
/* Center Secondary Menu (COVID) */
```

```
#et-secondary-menu {  
float: none !important;  
text-align: center;  
}
```

```
.et_fixed_nav #top-header: hover {background-color: #ccb6b4;}
```

```
#et-info, #et-secondary-menu>ul>li a: hover {color: #000000 !important;}
```
